Dear Friends,

As the Director of Advancement for The Luke Commission, I am writing to thank you for your contribution in 2010. Your support has helped us provide medical services and spiritual care for needy Swazis.

Date	Fund	Gift In Kind Note	Gift In Kind Sale Value
7/20/2010	In Kind	Hernia Mesh repair supplies	\$11,771.00

The Luke Commission is an Idaho non-profit organization and an IRS-recognized 501 ©(3) nonprofit organization. Your contribution is tax-deductible to the extent allowed by law. No goods or services were provided in exchange for your generous financial donation.

We appreciate your generosity this past year as we serve Africa's most vulnerable. More than 100,000 patients have been treated medically and more than 180,000 individuals have received aid delivered to remote areas through the ministry of The Luke Commission. Countless people, many on the brink of death, have made decisions to follow or recommit their lives to Christ while being touched by compassionate medical care.

Thank you for standing with us as we continue to fight the war against HIV/AIDs and, most of all, to share the love of Jesus.

Please let me know if I can provide additional information. Contact mis@lukecommission.org with questions about your receipt.

Looking Up,

Mark Kordic

Director of Advancement
