Dear Mr. Huelskamp,

LETTER OF APPRECIATION

On behalf of the Moses Lake Medical Team, I would like to thank you for your generous donation. You can be assured that your \$15,684.00 worth of SURGIMESH donated to our organization would help toward achieving our goal, which is to provide medical/surgical assistance to those in needs but have little or no means of receiving these services.

Please note the EIN for Moses Lake Medical Team on this letter for your tax purposes.

Once again, thank you for your contribution.

Sincerely,

Lateef Olaniyan, RPh; Pharm D
